Why I choose vital.

Mark Holderness of Superpet Warehouse

"I have dealt with Vital for many years and over the last 12 months I have seen many positive changes. More competitive pricing and much better availability. Delivery options second to none and a willingness to listen and take customer ideas on board. The support I receive from my account manager Sharan and BDM Kieron is first class. I feel that Vital is now a Business Partner rather than just a supplier."

Ruffingtons has set a new standard in the world of gifting, creating patisserie-style dog treats that are as delightful to the eye as they are to the taste buds. Designed with love and care, these luxurious baked treats bring a unique sense of occasion to every dog-friendly establishment.

Our treats are not only delicious, but they are also beautifully crafted. Each treat is hand-decorated, making them a feast for the eyes as well as the taste buds. Whether your customers are celebrating a special occasion or searching for a special gift, our dog treats are sure to impress. From birthdays to thank you gifts and more, our treats are designed to celebrate the bond between dogs and their families.

“
Our goal is to
give dogs the
same love and
indulgence
we often give
ourselves”

explains the team behind
Ruffingtons.

“We believe every dog deserves something special—whether it’s a thoughtful gift, a reward for good behaviour, or simply a way to show how much they mean to us.”

Innovation and craftmanship create the perfect treats

At the heart of Ruffingtons is a passion for innovation and craftsmanship. The range includes beautifully decorated doughnuts, yoghurt cups and cupcakes topped with crunchy mini bones, sprinkled with cranberry or carrot. As well as our carob and yoghurt dipped doughnuts with chia seeds, eclairs, and marbled snaps, all designed to appeal to dogs and their owners alike. With intricate decorations, Ruffingtons treats turn any moment into a celebration.

As the demand for personalised and humanised treats continues to grow, Ruffingtons is quickly becoming a favourite among businesses looking to offer something unique and memorable for their customers.

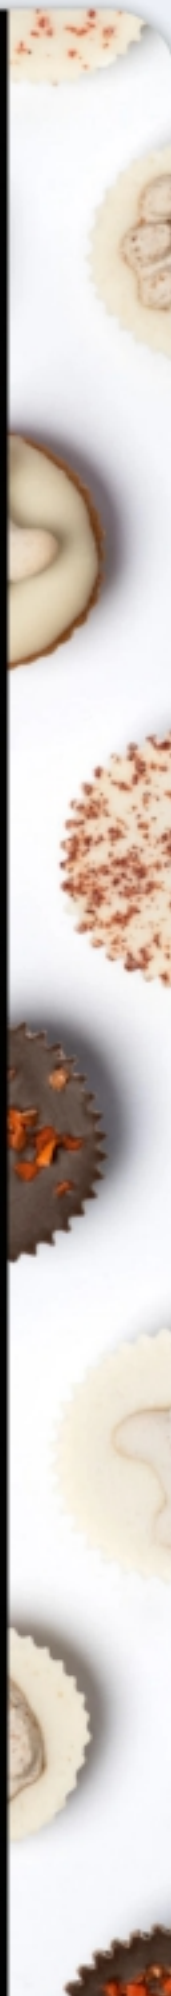

Carefully decorated by hand

Each treat is a hand-decorated masterpiece, created with high-quality ingredients and presented in elegant packaging, making them perfect for gifting or pampering beloved canine companions.

Bring luxury to your customers

So why settle for ordinary dog treats when you can stock a treat that is truly special? Discover the luxury of Ruffingtons and bring a little extra joy to your customers and their canine companions. Visit Ruffingtons today and experience the indulgence of our patisserie-style treats. Your customers will thank you!
