INSIDE THIS MONTH...

Welcome to the October issue of our fantastic promotions brochure at Vital Pet Group.

This month, we're shining a spotlight on **Changing Seasons** and why offering a variety of quality levels is key to supporting both pet health and retail success.

As the seasons shift and days grow shorter, pet parents are looking for ways to keep their companions **comfortable, safe, and engaged**. Whether it's **cozy beds** that provide relief from seasonal stress, **rewarding treats** that strengthen the bond, or **high-visibility gear** that makes darker walks safer, these products resonate strongly during the Autumn transition.

Our October promotions highlight these seasonal must-haves with options that **appeal across shopper preferences and price points**. By stocking a **thoughtful mix** of comfort, reward, and safety essentials, you'll help customers feel prepared for the months ahead while **positioning your store as the destination for seasonal solutions** that matter most.

We've got the usual deals you know and love, plus an exciting **New** range of products brought to you by **Cath Kidston**. Not to mention our **Exclusive to Vital** lines, where this month we are looking at the exciting new addition to the dog toy category, **Nike Max Fusion!**

Finally, head to **Page 8** to hear from one of our retailers and see how **Vital have helped grow their business** and become more than a wholesaler, but a **key partner for growth**.

Want even more? All our offers are available to shop online, head over to vitalpetproducts.co.uk and grab a bargain!

PLUS ALL OUR USUAL GREAT OFFERS!

This Month's Focus...

Help your customers prepare for the Changing Seasons

Offer Nutritional Choice That Builds Trust and Grows Your Category

This month we focus on the **changing seasons** and bring you a range of exclusive products to fill your shelves with this season's essentials.

TOP TIP

As the nights draw in and the seasons change, pets' routines change too. Darker evenings and wetter weather mean shorter walks, so retailers should spotlight interactive toys to keep pets stimulated indoors. With autumn also marking peak shedding and grooming season, stocking effective grooming tools alongside cosy jumpers and fresh bedding will help owners keep their pets comfortable. Cat owners will also notice increased litter usage, making October the perfect time to highlight hygiene essentials.

A great way to maximise sales is to merchandise a dedicated 'Winter Essentials' bay, bundling together cosy coats, cosy beds, grooming products and everyday items like litter — giving shoppers an easy, seasonal one-stop shop.

Why Canine Choice Treats?

Chillout Treats For Dogs

Natural ingredients, such as chickpeas, pea protein, sweet potatoes, and dried carrot slices, deliver **essential nutrients**, **support digestive health**, and **promote relaxation** in dogs. Calming herbs such as **chamomile**, **mint**, and **valerian root** help **alleviate stress and anxiety**.

Soothing Treats For Dogs

These gentle-on-the-stomach treats combine flaxseed, pumpkin, and prebiotics to support **gut** and **digestive health**. Yucca extract reduces **stool odour**, and **parsley freshens breath**. These qualities make them an ideal choice for **maintaining digestive health** and **freshness**.

Training Treats For Dogs

Perfect for dogs on the go, these treats support **joint health**, **reduce discomfort**, and promote **mobility**. Green-lipped mussel, kelp, and salmon oil are the key ingredients, along with **turmeric**, **glucosamine**, and **chondroitin**. These ingredients manage inflammation and keep dogs active and engaged during training.
